## From our HETL President, Charles Wankel:

**As I** start my term as your HETL President, my focus is to make HETL a more valuable community for you. We have had a very successful year under the able stewardship of Olga Kovbasyuk. We launched our journal and successfully planned a conference in Orlando for January 2013.

**Going forward**, it would be very useful if **you** suggested new things HETL might consider undertaking. With about 18,000 members we are already an immense number of colleagues. I exhort you to invite dynamic members of your institution to join us through our LinkedIn group.

**If you** and your institution would like to discuss partnering by letting us hold our meetings on your campus, let me know. The University of Central Florida has proven to be wonderful to work with in making our Orlando meeting a success and we look to find equally adept co-organizers for future meetings.

**When you** have interesting events to alert our members about, please send them to the newsletter editor. I look forward to developing a more personal relationship with many of you and specifically invite you to add me on LinkedIn: <http://www.linkedin.com/in/wankelc>. Add me on GooglePlus: <https://plus.google.com/> using my [onlineprofessor@gmail.com](mailto:onlineprofessor@gmail.com) account.

**Best regards, Charles**

## From our HETL Executive Director, Patrick Blessinger:

**It has** been a great pleasure to serve with Dr. Olga Kovbasyuk over the past year. Her leadership has expanded HETL in many ways and has taken HETL to a new level. I look forward to working with her successor, Dr. Charles Wankel. Under their able leadership, I am sure that we will accomplish as much in the coming year as we did in the last year and thus move another step closer to fulfilling HETL's mission and vision.

**Kind regards, Patrick**
