[Health implications of job-related stress, motivation and satisfaction in higher education faculty and administrators](#)

Denelle Mohammed, Edrea Chan, Rezwan Ahmad, Aleksandar Dusic, Cheryl Boglarsky, Patrick Blessinger, Rana Zeine

[JARHE Literati - Outstanding Reviewers](#)

Matthew Kaplan, Mark Stansfield, I Made Putrawan

Author: [Cathrine V. Felix](#)

Chapter: [The Role of the Teacher and AI in Education](#)

This chapter considers the risks and benefits of AI in higher education. It argues that AI will not, should not, and, indeed, cannot replace the teacher, because of what is (for now at least) unique to the teacher: namely, her humanity.

ENGAGE WITH HETL

Mark Your Calendars: Upcoming IAU-HETL Webinar

Topic: Sustainable Development and Leadership

Date: Tuesday 29.03.2022, 14.30-16.00 CET (8.30-10.00 EST)

Through education, research, campus initiatives, community engagement activities and campaigns at a local, national, regional, and global level, universities are the key to healthier, greener, fairer, and more inclusive societies. The IAU and HETL are jointly organizing a panel discussion with experts on the topic to foster engagement among higher education leadership and constructive cooperation for a sustainable way forward. The link to the webinar will be communicated soon.

Call for Country Directors

[HETL Country Directors](#)

HETL Country Directors are educational leaders who represent HETL to the global higher education community in their countries/regions. HETL Country Directors help promote the mission, vision, and values of HETL around the world. They represent HETL's interests in their countries/regions as well as represent the interests of their own countries/regions to HETL.

Send your expressions of Interest should be sent to:

Call for Chapter Proposals

Quality Assurance in Higher Education in the Middle East: Practices and Perspectives

This volume will highlight some of the concerns along with historical development, policies and practices of quality assurance in higher education in the Middle East countries. This volume is meant to supplement the institutional structure and arrangements for quality assurance in these countries and present those myriads of challenges faced in their quality seeking experience.

Deadline:

Researchers and practitioners are invited to submit by **15th February 2022** a maximum **500-word chapter proposal** that explains how the proposal fits into the book's scope and goals.
