## Istanbul Technical University - Süleyman Demirel Cultural Center (SDKM)

Istanbul Technical University has been established as a cultural center building to host important congresses, conferences, seminars, various cultural and artistic events within the university. Süleyman Demirel Cultural Center is located in ITU Ayazağa Campus in Maslak. ITU Süleyman Demirel Cultural Center, designed as one of the representative and reference buildings of the university, is a very easy point to reach in the city with its location close to Büyükdere Street and İstinye Road.

## About Istanbul(Turkey)

Istanbul has a charm that is unique to only a few cities around the world; the city lies on two continents of the world, Asia and Europe, and has rich history! The city has served as a focal point to a number of ancient empires and has been referred to as Byzantium and Constantinople. You can witness numerous architectural wonders, remnants of these empires, still stand tall in the heart of the city. These include the Hagia Sophia, which stood the tests of time and continues to amaze with its display of dazzling mosaics; the Sultanahmet Square, the Grand Bazaar a lot more.
